I'm an outdoors musical bum, I like music that sounds out of the ordinary...for the most part. I started with indie, but quickly expanded to multiple different sides of the music spectrum. From jazz, blues, folk to punk, rock, metal and core, alternative, experimental. I'll give just about any genre a little taste unless it gets to plain.
"Music is the magic that keeps us human".

Oh Yeah! I forgot my about my DJ Wizard Heritage.

Dj Bufo my son and The Lich King my grandson. We have banded together to perform magical feats never seen before.
